

## **AF Electrical Privacy Policy**

To comply with the General Data Protection Regulation (GDPR) this privacy policy sets out how AF Electrical uses and protects any information that you give AF Electrical, either when you use this website or when contacting AF Electrical by telephone.

We may collect the following information:

- name and job title
- email address
- home address
- phone numbers

We require this information only for internal record keeping and to provide services as requested by yourself.

We ensure that your information is not shared with any other party unless instructed to do so by yourself. However, in the course of our work we are required to register certain types of electrical work with the local building authorities. This is done by registering the work with the National Inspection Council for Electrical Installation Contracting (NICEIC) who then register this work on our behalf with the local building authority.

Our website has links to other websites, please note that if you use these links to leave our site we do not have any control over these other websites. Therefore we cannot be responsible for the protection and privacy of any information which you provide whilst visiting such sites and such sites are not governed by this privacy statement.
